## Climate Change & Business Conference

# EXHIBITION PACKAGES

## 24-26 August 2009

Melbourne Convention & Exhibition Centre, Australia

*The Climate Change & Business Centre and Point Carbon have joined forces to organise the 5th Australia-New Zealand Climate Change & Business Conference, Melbourne, 24-26 August 2009. The event focuses on the risks and opportunities that businesses face as a result of climate change and looks to engender exchange of ideas across the Tasman. The 2009 event will maintain a 'big picture' perspective around climate change issues for business including climate change policy, market responses, business opportunities and risk management.*

*Supported by business entities, government agencies and NGO's in 5 countries, the event is the primary gathering for business and policy makers on climate change in this region.*
